11+	\$1587.69

*The British Apple Co. offers you the opportunity to access their high integrity, bittersweet apple concentrate made using 100% Dabinett apples, known throughout the world as the king of the cider apples.*

*Their bittersweet apple concentrate is made using apples with high tannin and low acid qualities which add mouthfeel, flavour complexity and colour to your hard cider.*

*Alongside the exceptional quality characteristics, the British Apple Co. also guarantee full traceability, right back to the orchard in which the apples were picked.*
