

Motueka™

Use in brewing:

Dual purpose hop. Lemon and lime notes followed by a background impression of tropical fruits, Motueka™ offers a unique aroma and flavour. Desirable due to its relatively high alpha, the variety is an excellent hop in many applications from first kettle additions through to late gift.

Substitutions:

Saaz

Origin/History:

Bred by crossing a New Zealand breeding selection with Saazer parentage, it was developed by New Zealand's HortResearch and was bred for its dual purpose application, balanced bitterness and new world "noble" type aroma.

Agronomics:

An early season maturing variety, grows vigorously produces a low to medium yield of cylindrical, open, loose cones.

Organic Status:

Also available in Organic

Storage:

Good.

Floral, Lemon, Lime
