

Pilgrim

**Use in brewing:**

Pilgrim is a fantastic hop for both bittering and aroma. It imparts a traditional English bitterness which provides an excellent base for best bitters and pale ales and a well-rounded, full-bodied character which complements the darker malt colours. Flavour notes include spice, cedar and honey and its higher levels of Humulene and Seline give it a refreshing 'hoppy' aroma.

Substitutions:

Pioneer, Target

Origin/History:

Developed at HRI Wye and released in 2000, it has the same father as First Gold and Herald although it is not a dwarf variety.

Organic Status:

Also available in Organic

Storage:

Excellent.

Spice, Cedar, Honey

UK

Alpha Acid	9-12%
Beta Acid	4-5%
