

Wakatu™

**Use in brewing:**

Dual purpose hop. A fine clean triploid Hallertau bred from the classic Hallertau Mittlefruh variety. A floral, vanilla flavour, excellent in lighter coloured beers, the high alpha helps this hop to be useful as a bittering hop.

Substitutions:

Mittlefruh

Origin/History:

Developed by the New Zealand DSIR Research Station in Riwaka™. It is a triploid variety, with parentage of Mittlefruh and a New Zealand male through open pollination.

Agronomics:

Matures early season

Organic Status:

Grown by one grower who converted to organic production circa 1990. His production is now well established and consistent.

Storage:

Very Good.

Floral, Lime, Vanilla

New Zealand

Alpha Acid	7-10%
Beta Acid	8-9%
Cohumulone	28-30
Oil Composition	Myrcene: 35-36%, Humulene: 16-17%, Farnesene: 6-7%
Total Oil	1.0ml/100g
Flavour Intensity	7
